

WHY NEIGHBOURLINESS IS GOOD FOR NZ!

2016 outcomes

“I was really surprised at how positive the neighbours were about being invited to a street BBQ. Everyone is talking about when we have the next one.”

I think that it is a great way to be able to take time out of our busy lives, and connect with our neighbours, which helps build safer communities.”

79% met neighbours they'd never met before

151 organisations involved

86% feel that they know their neighbours better

64% feel safer

78% have shared contact details
