

The Neighbours of New Zealand Road Trip

Neighbours Day Aotearoa

March 22 - 31 2019: Celebrating 10 years with 10 days of celebrations

Cissy and Sam from Neighbours Day Aotearoa are hitting the road in the lead up to the 10th anniversary of Neighbours Day Aotearoa and they are stopping in at Ashburton.

They will be running a workshop to reach out and encourage our community to get involved in Neighbours Day 2019.

Come along, share ideas, and get the support you need to put on a great Neighbours Day Aotearoa event.

This interactive workshop is for anyone who may be considering planning a Neighbours Day Event, wants to know what they could do to promote the day across their neighbourhood or even help others to run events.

Proudly supported by Ashburton District Welcoming Communities and Ashburton Neighbourhood Support.
