

The Neighbours of New Zealand Road Trip

Cissy and Sam, are hitting the road in the lead up to our 10th celebration of Neighbours Day Aotearoa (March 22 - 31 2019: Celebrating 10 years with 10 days of celebrations).

As we drive across the country we'll be running workshops and reaching out to meet people who are working to create great neighbourhoods across New Zealand. These interactive workshops are for anyone planning a Neighbours Day Event, or supporting other people.

Come along, share ideas, and get the support you need to put on a great Neighbours Day Aotearoa event.
